Re: *United States of America v. Mark Allen Miller*  
Court File No. 21-cr-142 (01)(DSD/KMM)

Dear Judge Menendez:

I met with my client to discuss pre-trial motions, the evidence in the discovery file, and the Government's plea offer. Mr. Miller authorized me to contact the Court on his behalf. Mr. Miller will waive his pre-trial motions and requests to be excused from the upcoming motion hearing. I will contact chambers for a change of plea hearing date.

Thank you for consideration in this matter.

Sincerely,

BEITO & LENGELING, P.A.
